课程开始

- 根据老师指导，上课期间每天需要签到
- 设置用于访问[学生指南](#)（电子教材）的账户（Amazon Web Services Academy Program 老师除外）

您需要设置一个用户账户以便访问您的学生指南（电子教材）。请在上课前创建好您的账户，并使用您注册此课程时提供的电子邮件地址。如果您之前参加过 亚马逊云科技 培训课程，您可以使用已有的账户。

此设置过程分为两步：

第一步，设置一个 [Gilmore eVantage Bookshelf](#) 账户。

第二步，选择以下两种方式之一，来访问您的学生指南（电子教材）：

- [下载 Bookshelf](#) 到您的设备上以安装一个本地客户端，同时下载一份学生指南（电子教材）的副本。
- 注册一个 [Online Bookshelf](#) 账户以便在线访问您的学生指南（电子教材）。

9. 创建实验账号，进入实验环境（请根据老师指导，完成此步骤）

如您未参加过亚马逊云科技的课程，请使用您注册参加此课程时所用的电子邮件地址创建一个新账户。

如果您是大陆的用户请访问：<https://china-aws.qwiklab.com/>

如果您是来自港澳台的用户请访问：<https://aws.qwiklab.com/>

课程结束当天 17:30 以后

10. 老师根据签到情况统计出勤，超过 70% 的出勤率才能视为完成课程。

11. 老师完成出勤统计后，请登录培训系统，点击“我的培训记录->已存档”。

选择您已经完成的课程，完成课程评估。您可以通过点击完成认证来获取您的培训结课证书。

Student registration guidance (English Version)

Before class:

1. Click the registration link in the mail before class, for example. Please make sure to use your registration email (provide to seller) to enroll the class, otherwise your training material and lab may encounter issue during the class.
<http://aws-class.com/12345> (this is a test URL, do NOT use this. Pls refer to your pre-class email)

The screenshot shows the 'Amazon Web Services (AWS) Training – Setup Instructions' page. It includes a welcome message, a dropdown menu to select student type (currently set to 'Customer'), and instructions for APN partners and AWS staff. A section titled '1. Register your attendance' contains the AWS Training and Certification logo, a 'Course sign-up' button, and a list of instructions: 'Click the Sign In button', 'Either enter your Amazon credentials, or click Create your Amazon account', and 'When you first login you will be asked to enter some additional information.'

2. Please choose the login site you need to click, based on your identity. If you are an APN partner user, click "login through the APN portal". If you are not an Amazon employee and your company is not in the APN partner program, go to [3](#).

The screenshot shows the 'Sign in or Create an Account' page. It features two main columns. The left column has the Amazon logo, radio buttons for 'All regions' (selected), 'Japan', and 'China', a 'SIGN IN' button, and a note 'Use Amazon account, not AWS'. The right column has the AWS Partner Network logo, the text 'via APN Partner Central', a 'SIGN IN' button, and a note 'Use APN Partner Central account'. At the bottom, there is a link for 'Amazon employees sign in here (Amazon VPN required)'.

2.1 If you have an APN account already, you can log in directly then go to 6. If you have not registered your APN account, please refer to instruction to complete your APN account registration then go to [4](#). (Please use your company email and your English name when registering, as your name will show in completion of certificate for training and exam certificate)

At beginning of Class

7. According to the teacher's instruction, you need to sign in every day during the class.
8. Verify the separate ebook account for access to student guides. You should setup the account following the guide from your instructor. (Note: please ignore this step if you are Amazon Web Services Academy Program educator).

You need to set up a user account for ebook system to access your student guide. Please create your account before class, and use the email address you

provide when you register for this course. If you have attended an AWS training course before, you can reuse an existing account.

This setting process is divided into two steps:

The first step is to set up a Gilmore eVantage Bookshelf account.

The second step is to select one of the following two ways to access your student guide (E - Book):

- Download Bookshelf installer to your device to install a local client, and download a copy of the student guide inside the application.
- Visit the Bookshelf website to access your student guide online

9. Verify the lab account and the lab environment. You should setup the account following the guide from your instructor. (Note: please ignore this step if you are Amazon Web Services Academy Program educator)

If you have not attended the Amazon Web Services course, please create a new account using the email address you used to register for this course.

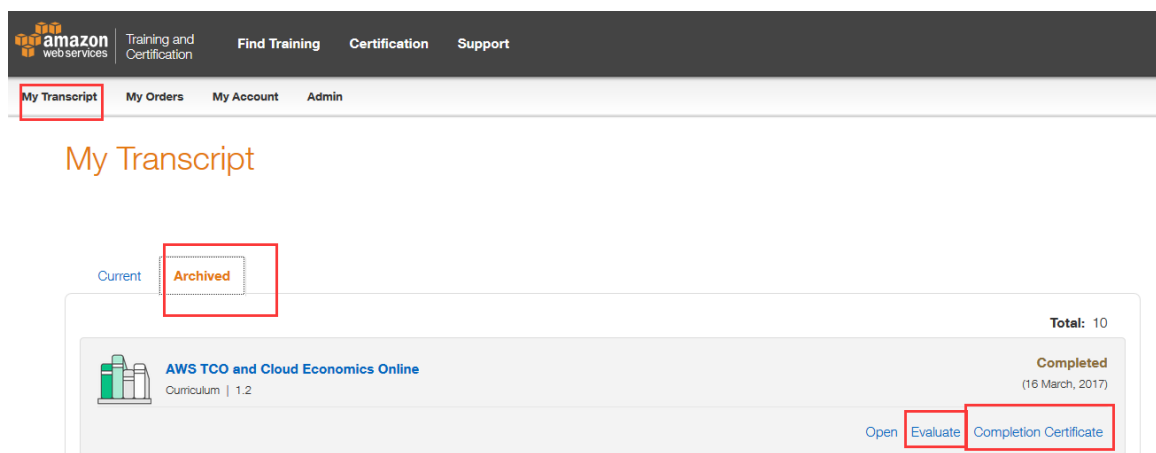

If you visit from Hongkong, Macao or Taiwan, please visit:

<https://aws.qwiklab.com/>

On the day, when the course ends

10. Teachers, according to attendance, mark attendance. Student with attendance rate over 70% can be treated as completed.

11. The teacher mark attendance, please log in training system, training record - > click on my archived. Choose the courses you have completed and complete the course evaluation. You can get your training certificate by clicking on "completion certification".

The screenshot displays the AWS Training and Certification interface. At the top, there's a navigation bar with 'amazon web services', 'Training and Certification', 'Find Training', 'Certification', and 'Support'. Below this is a secondary bar with 'My Transcript', 'My Orders', 'My Account', and 'Admin'. The 'My Transcript' section is active, showing a 'Current' and 'Archived' tab. The 'Archived' tab is selected. A course titled 'AWS TCO and Cloud Economics Online' is listed as 'Completed' on 16 March, 2017. Below the course name, there are buttons for 'Open', 'Evaluate', and 'Completion Certificate'. The 'Evaluate' and 'Completion Certificate' buttons are highlighted with red boxes.
